SUSTAINABLE PRINTING

Paper from sustainable production

Our Zell am See-Kaprun Summer Card booklet has been printed on sustainable paper and therefore carries the PEFC seal of approval. This symbolises our commitment to sustainability and responsibly produced products, because PEFC stands for a transparent and independent control system that verifies sustainable forest management based on national standards.

Regional production

Our Zell am See-Kaprun Summer Card booklet has been printed exclusively in Austria - "Printed in Austria". This means local know-how; the added value stays in Austria and we can secure Austrian jobs. In addition, the production routes are very short.
